

TALENT FORUM TIMES

Hello to all Parents and Dancers,

This weekend we are featuring 109 dancers in our March Showcase at Vernon Hills High School. Even if you do not have a dancer in the show we encourage you to attend, be entertained and support the dance arts locally. This is an opportunity to see how diverse our program is by including Ballet, Tap, Jazz, Pointe, and Hip Hop as well as our in house companies Footprints, Forum and Squad all in one show. Please invite family and friends to share in the fun, as they won't be disappointed. You can support Footprints and Forum through a 50/50 raffle and by purchasing snacks before and during intermission.

Love, Shelley

Talent Forum March Showcase – DanceScapes

Please arrive for rehearsal prepared to take the stage at least 30minutes prior to your scheduled time. At times we may run behind so please plan to be at rehearsal for at least 1.5 hours. One parent per dance is allowed in the theatre during rehearsal and you permitted to take photos or video during this time. There are no photos or videos allowed during the show. If you are scheduled at the same time as another class it is because we stage multiple pieces during the tech break and then run them when they return.

March Showcase Dancers

A common question we receive from the classes performing in DanceScapes is do we still have classes. The answer is YES! Classes will continue through June 3rd working on technique, learning new combinations, improv and many other improvement opportunities.
